Education

Delhi Technological University
Bachelor of Technology *Electrical & Electronics Engineering* 2016 - 2020
CGPA of 8.39/10, graduated First Class with Distinction
Relevant Coursework: AI, ML, NLP, DBMS, Computer Vision, Pattern Recognition

Delhi Public School, Indirapuram
CBSE Senior School Certificate Examination: 94.80% 2016
CBSE All India Secondary School Examination: CGPA 10/10 2014

Work Experience

Capgemini, Mumbai
Senior Analyst Oct 2020 - Now
Underwent training in SAP ABAP/HANA/Ui5 (Eclipse, Business Application Studio) and JavaScript.
Practical knowledge of OData service, responsive table, smart controls, fragments, JSON model, etc.

University of Padova, Italy
Research Intern Jun - Sep 2019
Advised by Prof. Lamberto Ballan (Visual Intelligence & Machine Perception Group)
Implemented RNN/LSTM models in python using OpenCV library on TensorFlow to generate trajectory prediction plots for crowds.
Developed manual and automatic semantic segmentation of aerial images of crowded scenes by executing networks of computer vision datasets to facilitate pedestrian's trajectory prediction.

Delhi Technological University
Central Library Programmer Mar – Aug 2018
Designed an institutional repository by implementing DSpace digital library software in linux.

Technical Skills

Programming languages: C/C++, Python, Matlab, SQL
Deep learning platforms and frameworks: OpenCV, TensorFlow, Skikit-learn, PyTorch, Keras, Pandas

Projects & Publications

Aditya Singhal and S. Indu *Enhancing Accuracy for Human Trajectory Forecasting in Crowded Scenes*
In *ACM Proc. of International Conference on Image and Graphics Processing* (ICIGP), Singapore, Feb 2020

Webcam Motion: A project to detect motion of a body using live webcam feed [link]

Object Detection: Detecting blue color during live webcam feed [link]

Awards & Honors

University of Padova International Student Scholarship (EUR 1,380) 2019
Delhi Technological University USIP Scholarship (INR 12,500) 2018
Ministry of Education, France DELF A2 *Diplôme d'études en langue française* 2016
Delhi Public School Principal's Gold Medal 2015
University of New South Wales, Australia Distinction in Mathematics & Science 2014

Student Activities

National Service Scheme (Student Volunteer) 2017 – 18
DelTech MUN & Debating Society, Society of Robotics 2016 – 17
