Aditya Singhal

(+91)-9873862708 aditya98singhal@gmail.com https://aditya-ml.github.io/

EDUCATION

B.Tech in Electrical and Electronics Engineering, *Delhi Technological University, India* **2020**
CGPA: 8.3/10
Relevant Coursework: Artificial Intelligence, Pattern Recognition, Natural Language Processing, Swarm and Evolutionary Computing

Senior School Certificate Examination, *Delhi Public School, India* **2016**
Score: 94.80%
Relevant Coursework: Mathematics, Computer Science

RESEARCH INTERESTS

Computer Vision, Image Processing, Human Computer Interaction, Graphics, Machine Learning, A.I.

RESEARCH EXPERIENCE

Research Assistant, University of Padova, Italy **June – September 2019**
Supervisor: Lamberto Ballan, PhD

- Implemented RNN/LSTM models in python using OpenCV library on TensorFlow to generate trajectory prediction plots for crowds
- Developed manual and automatic semantic segmentation of aerial images of crowded scenes by executing networks of computer vision datasets to facilitate pedestrian's trajectory prediction

PUBLICATION

A. Singhal and S. Indu. (2019). *Enhancing Accuracy for Human Trajectory Forecasting in Crowded Scenes*. (*Under review*)

UNIVERSITY EXPERIENCE

Student Internship Program **March – August 2018**
Central Library, Delhi Technological University, India

- Designed an institutional repository by implementing the DSpace digital library software in linux using javascript to maintain all scientific publications of University faculty and students

TECHNICAL SKILLS

Programming languages: C/C++, Python, Matlab
Deep Learning platforms and frameworks: OpenCV, TensorFlow, matplotlib, Skikit-learn, PyTorch, Keras, Numpy, Pandas

PROJECT

- **Mask R-CNN for Object Detection and Segmentation:** Remotely worked on extending the existing Mask R-CNN model for obtaining semantic segmentation of aerial images of crowded scenes

HONORS & AWARDS

- International Student Scholarship, **University of Padova, Italy** 2019
- USIP Scholarship, **Delhi Technological University, India** 2018
- DELF A2 Diplôme d'études en langue française, **Ministry of Education, France** 2016
- Principal's Gold Medal, **Delhi Public School, India** 2015
- Distinction in Mathematics & Science, **University of New South Wales, Australia** 2014
- **GRE**: 327/340, **TOEFL**: 112/120 2019
